SUPERSESION

This is the first version of the Policy on Regalia Pricing.

SCHEDULE OF ALLOWABLE MARKUPS

Except where its other policies provide otherwise, the Chapter shall provide free regalia to its members and shall otherwise sell regalia to eligible members at a price not exceeding the sum of the retail price of the regalia, related shipping charges, and a surcharge no greater (by percentage of the sum of the retail price and shipping charges) than the maximum markup per item according to the following schedule:

Item	Markup
Cords	25%
Stoles	25%
Tassels	25%

DETERMINATION & ADVERTISEMENT OF REGALIA PRICES

The Executive Committee shall determine regalia prices in accordance with this policy and their official posting of the prices shall be on a page, entitled “Graduation Regalia”, in the Chapter’s Canvas course.

COMMENTARY ON REGALIA PRICING

This policy was created to provide transparency for the Chapter’s regalia program. The regalia program is not intended to generate a net profit. The regalia markups defined herein simply help to offset the cost of providing free honor cords to outstanding members as was mandated by other Chapter policies at the time of the original ratification of this policy.
